

## BA1513 - Carry Caddy/Boot Tidy

The Carry Caddy offers a useful way to get your message seen. It's the perfect in-car storage solution and it's also great for transferring shopping from a trolley to the car. The robust design has a boxy look thanks to its supportive sides, while the clever design allows the bag to be folded down when not in use. It has two sets of handles; one pair of long handles to the front and back and one pair of short handles to the sides.
