

# DR1621 - West Loop Thermal Mug

The West Loop Thermal Mug offers the high quality and stylish design that the Contigo brand is known for. It has Autoseal® technology for a 100% spill and leak proof drinking experience. Simply press the button to sip from the cup and to release the seal. The West Loop drinking mug uses vacuum-insulated technology to keep drinks hot for up to 5 hours and beverages cool for up to 12 hours. 470ml capacity. BPA free.
